C#	ASP.Net(Entity Framework)	Micorsoft SQL	JavaScript
React JS	HTML&CSS		

WORK EXPERIENCE

Software Engineer -20cube logistics Solution, Chennai

12/2022 - present

- **Project Involvement:** Worked on a logistics application developed using ASP.NET, Entity Framework, and React.js as Full stack Engineer.
- **CRUD Operations:** Performed CRUD operations on multiple tables with complex views and joins to manage data efficiently.
- **API Optimization:** Enhanced API performance by updating only necessary fields, avoiding entire row updates, and optimized data retrieval by fetching only the required fields therefore reduced the time taken by 30%.
- **Data Handling:** Utilized CSV files to upload large amounts of data to the server and delivered reports in various formats (PDF, Excel, CSV) and implemented Bulk Upload of data.

Client Partner –Access HealthCare, Chennai

20/2021 - 08/2022

- **Client Interaction:** Maintained active conversations with US payer party representatives to obtain necessary information, demonstrating excellent communication skills.
- **Project Management:** Ensured project schedules were met and deliverables were provided above client SLA commitments.
