CAREER OBJECTIVE

I am an introspective, value oriented, inspiring, social and enthusiastic person. Aiming to use and improve my proven tech, organisational, creative, research and communicational skills to effectively work in your company.

EDUCATION

MSC Information Technology Manonmaniam Sundaranar University 7.8(CGPA)	July 2022 - May2024
BSC Computer Science MDT Hindu College 8.42(CGPA)	July 2019 - April 2022
Higher Secondary School 69.5%	June 2018 - March2019
Secondary School Leaving Certificate 94.2%	June 2016 - March 2017

ACADEMIC PROJECTS

- Title:** Student Record Management System
Implemented a student record management system using file handling in a console-based environment with Java. This system allows users to perform various operations related to student records, including adding, displaying, searching, modifying, and deleting records.
- Title:** Sustainable Farm Food Web Application
Developed a Sustainable Farm Food Web Application using HTML, CSS, PHP, and SQL, enabling local farmers to manage inventory and connect with consumers for purchasing fresh products. Implemented user authentication, product listings, and order processing functionalities.
-

INTERNSHIP EXPERIENCE

Feb 2024 - March 2024

Company: Ak Info Park Nagercoil
Position: Web Development
During my internship, I created and designed responsive web pages using HTML, collaborating with team members to develop user-friendly interfaces. I gained practical experience with web development tools and methodologies, and assisted in identifying and resolving code issues.
