EXPERIENCE

UI Developer

Smackcoders Technology *Feb 2024 - Jul 2024*

Project 1: WP Ultimate CSV Importer Pro

Overview:

A WordPress plugin for bulk data import from CSV files, supporting posts, pages, custom post types, and users.

Role & Responsibilities:

- Designed intuitive, responsive UI with ReactJS.
- Developed six modules: Dashboard, Import, Manager, Export, Settings, and Support.
- Implemented accurate data handling and error management.

Key Achievements:

- Optimized data import, reducing time and improving user satisfaction.

Project 2: AIO WP Media Library Manager

Overview:

A WordPress plugin to efficiently organize media files with features like drag-and-drop, folder creation, and advanced search.

Role & Responsibilities:

- Designed clean UI using HTML, CSS, and jQuery.
- Developed drag-and-drop interface and unlimited folders.
- Enhanced interactivity with jQuery.

Key Achievements:

- Improved media organization and received positive feedback for ease of use.

Developer Intern

Smackcoders Technology *Aug 2023 - Jan 2024*

Intern Project: Shopify API Integration

Overview:

Enhanced and customized e-commerce functionalities by integrating Shopify API, focusing on secure OAuth Authorization, product management, and responsive UI development.

Role & Responsibilities:

- Implemented Shopify OAuth flows for secure store connections.
- Programmatically created, updated, and deleted products via Shopify API.
- Developed intuitive UIs using HTML, CSS, JavaScript, and Laravel.

Key Achievements:

- Successfully integrated API, improving e-commerce capabilities and user experience.
