VIGNESH R

Web Designer

As a web designer with two years of experience, I specialize in creating visually appealing and user-friendly websites. I have a strong understanding of HTML, CSS, and JavaScript, allowing me to design responsive and engaging websites that meet my clients' needs. From concept to execution, I am dedicated to delivering high-quality, customized web solutions that help businesses succeed online.

EXPERIENCE

2022 - Present

Sri Hema Infotech - Web Designer

- Responsible for creating visually appealing and user-friendly websites for clients.
- Translate clients' needs into intuitive designs, ensuring a seamless user experience.
