PROFILE

Creative and enthusiastic UI/UX Designer with a solid foundation in user-centered design principles and a strong eye for detail. Recent graduate with hands-on experience in designing intuitive and visually appealing interfaces through academic projects and internships. Proficient in using design tools such as Figma, Photoshop, and Illustrator to create engaging user experiences and compelling visuals. Skilled in wireframing, prototyping, and user research, with a keen ability to translate complex requirements into user-friendly designs. Eager to contribute fresh perspectives and innovative solutions to a dynamic design team while continuously growing and learning in the field of UI/UX design.

PROJECT

Designed a mobile app user interface for Panda Ice Cream using Figma software. Focused on creating a visually appealing and user-friendly design that enhances customer interaction and engagement.

Achievements :

UI/UX Certification on PUMO Technovation,
Chennai – 2024.

I successfully completed an internship program
on Python at Shias Info Solutions Pvt Ltd,
Chennai, during the year 2023.
