Software Developer

Education

VIT Bhopal University

August 2021 – May 2025

Bachelor of Technology in Computer Science and Engineering (CGPA: 8.24)

Madhya Pradesh, India

Technical Skills

Languages: C/C++, HTML5, CSS3, JavaScript

Frameworks/Libraries: Bootstrap, ReactJS

Databases: MySQL

Relevant Subjects: Database Mangement System, Object-Oriented Programming

Tools/Technologies:Git, GitHub, AWS Cloud

Projects

HireHorizon | *HTML, CSS, React JS, Firebase*

September 2024

- Built a responsive online job portal that supports seamless job search functionality, enabling users to filter jobs based on role, type, location, and experience.
- Utilized React JS for building interactive UI components and managing application state efficiently.
- Integrated Firebase for real-time database management and job data retrieval, displaying jobs in descending order by the date posted.
- Developed a user-friendly job card layout featuring detailed job information, application links, and post timing calculated using Day.js.
- Implemented interactive search components with a "Clear Filters" feature, allowing users to customize and reset job searches quickly
- **GitHub:** <https://github.com/manishsingh0418/HireHorizon.git>

Elite Edge Fitness | *HTML, CSS, React JS, Axios, React Toastify*

June 2024

- Developed a fully responsive gym website featuring workout plans, a BMI calculator, and user-friendly fitness content using React JS and CSS for styling.
- Designed dynamic forms for contact inquiries and fitness management using React JS and Axios to enhance user interaction and data flow.
- Utilized React Toastify for real-time notifications and Axios for seamless API communication.
- Built a modern UI using reusable React components, ensuring responsiveness and compatibility across all devices.
- Integrated responsive media galleries to showcase gym facilities with a focus on visual appeal and accessibility.
- **GitHub:** <https://github.com/manishsingh0418/EliteEdgeFitness.git>

Achievements

Immersion Qualified

July 2024

Selected among the top 200 coders

GeeksforGeeks Institute Rank

March 2023

Ranked under 200

Training and Certifications

- * SQL, HackerRank, Feb 2024
- * AWS Cloud Practitioner, Amazon Web Services, Jan 2024
- * MERN Full Stack Internship Program, Ethnus, Dec 2023

Extracurricular Activities

- * Core Member at Mozilla Firefox Club and Insights Club.
- * Organized and conducted technical workshops and events to promote open-source contributions, including coordinating the event MOZFOX with over 500 participants and prominent tech industry speakers, increasing club membership by 15%.

Hobbies

- * Reading self-help books
- * Listening to music
- * Playing badminton
