PROFESSIONAL SUMMARY

Recent MCA graduate passionate about software development seeking entry-level position. Proficient in Python, C, Asp.net, HTML, CSS. Experienced in software development, UI design, and responsive web development. Eager to contribute, learn, and grow within a dynamic team, bringing a fresh perspective and dedication to excellence .

TECHNICAL SKILLS

- **Programming Languages:** Python, C , ASP.NET, Flutter, Dart
- **Web Technologies:** HTML, CSS
- **Databases:** SQL, Ms Access
- **Tools:** Android Studio, Ms Word, Ms PowerPoint, Ms Excel

WORK EXPERIENCE

Flutter and Dart Internship

Gateway Software Solutions

February 2024 – May 2024

- Developed cross-platform mobile applications using Flutter for both Android and iOS platforms.
- with Dart for writing application logic, implementing UI components, and managing state.
- REST APIs for dynamic data and used Firebase for authentication and real-time database.

PROJECTS

Object Detector Using Flutter and Dart

Technologies: Mobile App Development using Flutter and Dart

- Developed a live object detection system using Flutter for cross-platform compatibility across Android, iOS, and Web.
- Implemented neural networks using TensorFlow Lite to classify and localize objects in real-time from live camera feed.
- Integrated Firebase for backend services, including real-time database for logging detections and authentication.

Online Tour and Travel Booking

Technologies: PHP, MySQL

- Developed a comprehensive online tour and travel booking system enabling users to book travel arrangements such as hotel rooms, transportation, and tour packages.
- Implemented user-friendly features including search filters, booking confirmation, and payment gateway integration for seamless transactions.
- Designed and managed MySQL databases for storing customer details, bookings, and travel package information.

EDUCATION

Master of Computer Applications (MCA)

NEHRU Institute of Information Technology and Management, Coimbatore. GPA: 8.5 September 2022 – June 2024

Bachelor of Computer Applications (BCA)

Nadar Saraswathi College, Theni. GPA: 7.2

July 2019 – July 2022

WORKSHOPS

Create a Web page using ASP.Net

NEHRU IITM

June 2023

Mobile Application development using Flutter and IONIC Framework

NEHRU IITM

June 2023

CERTIFICATIONS AND COURSES

Certificate in HDCA

August 2020

Certificate in Linguaskill in Cambridge University

November 2019
