PROFILE SUMMARY

I am an enthusiastic and detail-oriented fresher with a strong academic foundation. I am skilled in organizing tasks, collaborating with teams, and quickly learning new technologies. I am eager to contribute to team success and deliver high-quality results in a professional environment.

EDUCATION

St. Xavier's College, Palayamkottai

BCA (Bachelor of Computer Applications) 2020-2023

MCA(Master of Computer Applications) 2023-2025

PROJECT EXPERIENCE

Blood Bank Management System

Developer

- Implemented a web application using HTML, CSS, JS, PHP and the XAMPP Web server and MySQL for backend for managing blood donations and requests.
- Users can register as donors or recipients, and the system collects their blood donation or request appointments and delivers those to the respective blood banks.

Dairy Shop Management System

Developer

- Developed a web application using XAMPP Server for server-side, HTML, CSS & JS for client-side and MySQL for backend.
- It provides facilities for ordering dairy products, viewing orders, and searching for available dairy shops.

Online Shopping Application - Core Android

Intern

- Developed an Online Shopping Application Using Android & Android Studio Framework.
- Gained some experience on Android Studio Framework
