

Harichandran P

Front End Developer

+91 8883935193 harichandran743@gmail.com SouthPuthalam, Kanyakumari District, 629602

SUMMARY

Front-End Developer with over two years of experience in developing dynamic, user-friendly web applications. Proficient in HTML5, CSS3, JavaScript, React.js, and Bootstrap, with a strong foundation in responsive design and UI/UX principles. Passionate about building scalable and efficient front-end solutions that enhance user experience. Continuously learning and adapting to emerging web technologies to deliver high-quality applications.

EXPERIENCE

Front End Developer

Agape Works Technology 02/2023 - Present Nagercoil, TN

Developed and optimized responsive user interfaces to enhance performance and user experience.

- Designed and implemented 15+ reusable UI components using HTML, CSS, Bootstrap, and JavaScript, improving page load times and site usability by 35%.
- Built interactive and dynamic web applications using React.js to streamline front-end development and enhance user engagement.
- Collaborated with UI/UX designers to translate Figma prototypes into pixel-perfect, functional web pages.
- Integrated front-end applications with an ASP.NET MVC backend, improving system performance and responsiveness.
- Conducted A/B testing and user feedback analysis to refine UI interactions and optimize design elements.

EDUCATION

Bachelor's Degree in Mechanical Engineering

Ponjesly College of Engineering - India

2017 - 2021 Nagercoil, TamilNadu

- Transitioned into front-end development through self-learning, online courses, and real-world projects.

GPA
7.46 / 10

Higher Secondary Education

LMPC Higher SEcondary School

2016 - 2017 Puthalam, Kanyakumari District

STRENGTHS

Collaboration

Collaborates seamlessly with designers and developers to craft engaging, user-centric digital experiences that drive performance and usability.

Problem-Solving

Tackles front-end challenges with innovative and efficient solutions.

Attention to Detail

Ensures consistency and responsiveness across multiple devices and browsers.

SKILLS

Programming Languages

HTML5 CSS3 JavaScript (Basic)
React.js Bootstrap

Development Tools

Git Visual Studio VS Code

UI/UX Tools

Figma

Methodologies

Agile Development Responsive Design
Cross-Browser Compatibility
