GOALS

- Short -Term Goal: Acquire practical experience through internships or entry level positions to apply theoretical knowledge and enhance technical skill.
- Long-Term Goal: Become a successful web developer by specializing in PHP and Java, learning advanced technologies, and growing into a senior developer role.

PROFILE

Motivated and enthusiastic Junior Developer with hands-on experience in PHP development. Built dynamic web applications using PHP, MySQL, HTML, CSS, and JavaScript. Familiar with MVC architecture using CodeIgniter and basic Bootstrap concepts for creating responsive designs. Actively contributed to real-time project development, focusing on clean, efficient code and industry best practices. Eager to grow as a Full Stack Developer by continuously upgrading technical skills and exploring new technologies.

WORK EXPERIENCE

- PHP Developer**
TechMaxima India Private Limited
April 2025 - June 2025
 - Developed dynamic web applications using PHP, MySQL, HTML, CSS, and JavaScript
 - Worked with CodeIgniter 4 to build structured and maintainable backend logic
 - Designed responsive UI components using Bootstrap and added interactivity with JavaScript
 - Collaborated with team members and mentors to follow clean coding practices, Git version control, and proper debugging techniques
- Skills**
 - Willing to learn new things: Open to learning and acquiring new skill.
 - Adaptable: I am able to easily adjust to changes
 - Monitor brand consistency across marketing channels and materials.
 - Hard worker and self motivated: Putting a effort without someone having to push me.
