OBJECTIVE

Results-driven **Full Stack Developer** with **3 years** of experience in designing and developing scalable web applications. Proficient in both frontend and backend technologies, including **.NET** and **Angular**.

EDUCATION

Bachelor of Engineering, Bhilai Institute of Technology, Durg
Electronics and Telecommunications, CGPA: 9.1

June 2018 - May 2022

SKILLS

Technical Skills ASP .Net Core MVC, ASP .Net Core Web API, Entity Framework Core, C#, Swagger, Jira, VS Code, Angular, AWS: Cloud Practitioner, C++

Soft Skills Communication, Team Collaboration, Problem-Solving, Adaptability, Time Management

EXPERIENCE

Jr. Software Engineer
Cognizant

June 2022 - Feb 2025
Pune, India

- Developed and maintained full-stack website using **.NET for backend** and **Angular for frontend**, ensuring high performance, scalability, and responsiveness.
- Collaborated with cross-functional teams to design and implement RESTful APIs using **.NET Core** to support frontend functionality and integrate with third-party services.
- Built dynamic and responsive user interfaces using **Angular**, **TypeScript**, and **HTML/CSS**, improving user experience and engagement.

.NET Intern
Cognizant

Jan 2022 - May 2022
Pune, India

- Completed a self-paced learning program focused on **.NET framework and C# programming**, gaining hands-on experience in building web applications and understanding core concepts such as **MVC architecture**, **Entity Framework**.
- Gained experience in **debugging, testing, and optimizing code** for performance and reliability.
- Successfully passed the **end assessment** with a score of 91 out of 100.

PROJECTS

Associate Management Website:

Developed a full-stack website using **.NET** and **Angular** to streamline associate management processes. Created the backend for the Onboarding Page to **handle new associate** requests and the Data Change Page to **update associate details** in case of newly appointed manager or other necessary/personal details. Designed and implemented the frontend for both pages using Angular, ensuring a **responsive** and **user-friendly interface**, and integrated RESTful APIs for seamless data flow between frontend and backend systems.

EXTRA-CURRICULAR ACTIVITIES

- Completed 30 Days of Google Cloud & Google Cloud Ready Facilitator Program and earned swags.
- Participated in Hackathons like: MLH, Sadda Hack (IIIT-Delhi), Code Off Duty

LEADERSHIP

- Internshala Student Partner '22
- Campus Ambassador at DSC WoW Event by Google
